

# JUNE SUMMER PROGRAM

## Animal Week June 5-9

If your child is an animal lover, this week is the perfect fit! Children will be immersed in everything animal including animal interactions!

## Little Chefs June 12-16

Cooking and preparing food are the perfect recipe to teach valuable skills that they can carry with them through life! Little Chefs is nut free!

## Garden Club June 19-23

During this week learn about the wonders of gardening. Children will have hands on experience tending to their gardens, tasting herbs and vegetables and creating nature crafts.

## I Am An Artist June 26 – 30

A week filled with new art processes and techniques using mixed media.

# JULY SUMMER PROGRAM

## Galaxy Adventure July 10 - 14

Children will be inspired by all things space. Tie-Dye, glow in the dark art, space goo and more!

## Christmas in July 17 - 21

We plan to deck the halls and celebrate Christmas in July. Join us for wintry fun in the summer. Children will create ornament, bake cookies and enjoy some festive fun!

## Carnival week June 24 - 28

Last week of camp is packed with carnival games, water games, facepainting, a bounce house and snow cones!
